

M+W GROUP

EHS POLICY

EHS方针

At M+W Group, it is the policy to conduct corporate Engineering, Construction and Maintenance operations in a safe and environmentally responsible manner. Health, Safety and Environmental Protection are the responsibility of every employee.

在美施威尔集团，以安全和对环境负责的方式执行公司内的设计、施工和维护操作是美施威尔集团的方针。健康、安全和环境保护是每个员工的责任。

We are committed to:

我们的使命是：

- Hold the interest of every affected personnel and our client paramount
极大程度维护每个相关的个人和我们客户的利益
- Complying with and maintain environmental, health and safety practices that meet applicable legal and other requirements
遵循和维护环境、健康和安全规范，符合适用的法律和其他要求
- Avoid environmental pollution
避免造成环境污染
- Reducing, reusing and/or recycling our available materials and waste
减少、利用/或重复利用可使用的材料和废料
- Preventing unacceptable risk in our operations and providing an injury and occupational illness free work environment
在我们的操作中预防不可接受的风险，并提供一个无人身伤害和职业病的工作环境
- Provide adequate and sufficient resources to achieve an injury and occupational illness free work environment
为实现一个无人身伤害和职业病的工作环境提供足够的和充分的资源
- Fostering a culture of EHS awareness among all affected personnel in our organization, business partners, client and the general public
在我们的组织、商业合作伙伴、客户及公众中的所有相关人员中培育一种具有EHS意识的文化
- Continually improving health, safety and environmental protection performance
持续改进健康、安全和环境保护绩效
- Promoting an environment of learning and a culture of continual improvement
提倡一个学习型的环境和持续改进的文化
